Company Summary

KSL welcomes the opportunity to support your facility's needs. From our Lawrenceville headquarter; we support our clients in Atlanta and throughout the southeast. We provide services to local municipalities, state agencies, federal buyers, the commercial market as well as the residential market. As a facilities management contractor, we can handle most of your needs to ensure that your property buildings are in great standards daily. Our core specialty is Janitorial Services: cleaning, flooring (waxing and carpet), paper products, maintenance, pre/post construction clean-ups and management. We also perform remodels, repairs and etc. Visit our website for all services provided.

As a MBE small business, we have obtained 8a certification with the SBA and awaiting pending status for DBE and LSBE Certifications. Our size allows us to be efficient and responsive. We are committed to ensuring our A+ BBB rating and make sure all employees are trained per standards. Our pricing is customized based on the project. All our clients know they are only paying for the services that they need. KSL can provide green grade products as well as reliable quality work.

We would greatly appreciate to be able to work with you and be a long-lasting valued partner.
